Dear colleagues,

It is my greatest pleasure to invite you to attend the **CEEPN Annual Meeting SLOVAKIA**, which will be organized by Polymer Institute of the Slovak Academy of Sciences. This event will be held at the Congress Center Smolenice Castle on November 21 – 23, 2011.

Below please find the First announcement with the principal information. This year the CEEPN Annual Meeting plans to combine the regular meeting of directors with the scientific program expecting 2 – 3 lectures covering the representative topic from each CEEPN institution, which will be preferably delivered by selected young scientific leaders.

I believe that this CEEPN meeting will provide an additional platform for effective exchange of information and cooperation within the CEEPN network.
